

Windsor Chesterfield – Chatsworth Chocolate

Hand-Built British Upholstery Since 1973

The Windsor Chesterfield balances the world's most iconic sofa silhouette with Winchester's hand-built tradition. Deep buttoning, rolled arms and full-grain leather create a timeless, sculptural form, while the structured seat offers a supportive, classic sit. A refined, modern interpretation of a British icon.

HERITAGE Crafted using traditional methods passed down through generations, the Windsor Chesterfield reflects over fifty years of documented Winchester upholstery heritage. Each piece is hand-built on a hardwood frame and individually upholstered using time-honoured techniques shown in our 1994 workshop archive.
