

## Chatsworth | Selvaggio Leather

### Specification Sheet

#### Heritage Aniline Pull-Up Leather

Crafted for those who value authenticity, this natural aniline leather embodies the soul of traditional craftsmanship. Its soft, waxed surface invites touch, while the hand-applied oils and waxes reveal the hide's unique grain and character. Over time, the leather matures gracefully, developing a rich Sauvage patina that tells its own story. Ideal for residential settings and refined contract use, it offers timeless beauty rooted in artisanal legacy.
