

Chatsworth | Vintage Leather

Specification Sheet

Vintage is a natural half grain semi aniline leather with a semi matt finish, complex depth of colour and cracked characteristic. The leather has a seal coat preventing soiling and scratching. A fantastic heritage leather getting better with age. Ideal for domestic upholstery and contract/hospitality environments making it a favourite for designers and specifiers. The leather has a smooth feel adding to its quality feel, with a slightly dye hand adding to its heritage properties.
