Specification Sheet

For those who seek more than just a seat, our Antique Leather Colours offer a timeless invitation into the world of handcrafted luxury. Each hide is expertly hand-rubbed, revealing a distinctive patina that speaks of tradition, artistry, and quiet grandeur. The result is a rich, vintage finish that transforms every Chesterfield into a centrepiece of character and charm. Supple to the touch and enduring in comfort, this leather is not merely upholstered, it's curated, ensuring every moment spent is steeped in elegance. Whether placed in a drawing room, study, or reception, it promises to elevate the space with heritage and warmth.
