

## Chatsworth | Tempesta Leather

### Specification Sheet

At Winchester Furniture we believe that true luxury lies in the details, and our latest leather range is a testament to that philosophy. This exceptional material features a sumptuous velvety surface that invites touch, paired with a subtle waxy finish that adds depth and character. The aesthetic evokes the soft, matte elegance of nubuck, yet beneath its refined exterior lies the robust performance of a semi-aniline leather, designed to withstand the demands of everyday life without compromising on beauty.
