

# Alfred Wing Chair – Chatsworth Brown

HERITAGE Crafted using traditional British upholstery methods passed down through generations, the Alfred Wing Chair reflects over fifty years of documented Winchester craftsmanship. Each chair is hand-built on a hardwood frame and individually upholstered using time-honoured techniques shown in our 1994 workshop archive. Its sculpted wings, deep hand-tied buttoning and precisely pleated arms continue a lineage of classic British wing-chair making, refined through decades of Winchester workshop practice.
